Case 14-07-007
(Filed July 17, 2014)**ORDER EXTENDING STATUTORY DEADLINE****Summary**

This decision extends the statutory deadline in this proceeding to October 17, 2016.

1. Background

Public Utilities (Pub. Util.) Code Section 1701.2(e) provides that adjudicatory cases shall be resolved within 12 months of the date that they are initiated unless the Commission makes findings as to why that deadline cannot be met and issues an order extending that deadline. Case (C.) 14-07-007 has been categorized as adjudicatory and the 12-month deadline for its resolution was July 17, 2015. On June 11, 2015, the Commission issued Decision (D.) 15-06-033 which extended the statutory deadline to January 16, 2016. This decision further extends the statutory deadline to October 17, 2016.

On July 17, 2014, the Utility Consumers' Action Network (UCAN) filed C.14-07-007 against U.S. TelePacific Corp., dba TelePacific Communications (TelePacific) alleging a series of violations to the Pub. Util. Code sections regarding unauthorized charges to customers' bills, unjust and unreasonable rates, and many other allegations regarding inaccurate information to customers and to Commission Staff.

On September 2, 2014, TelePacific timely filed its answer alleging that the services that are the subject of the complaint fall within the Pub. Util Code § 239. Therefore, pursuant to § 710, the subject matter of the complaint is outside of the Commission's jurisdiction. (Answer at Page 2)

On September 26, 2014, a prehearing conference was held to identify the issues of the complaint, set the schedule and procedures to follow. On October 10, 2014, TelePacific filed a motion to dismiss the complaint because the Commission lacks jurisdiction over the disputed subject. UCAN, on November 3, 2014, timely filed its response requesting the Commission to deny the motion to dismiss.

In order to address the question of jurisdiction under § 710 and to have sufficient time to address all issues raised in the complaint, we conclude that it is appropriate to extend the 12-month statutory deadline in this case to October 17, 2016.

2. Waiver of Comment Period

Under Rule 14.6(c)(4) of the Commission's Rules of Practice and Procedure, the Commission may reduce or waive the period for public review and comment of proposed decisions extending the deadline for resolving adjudicatory proceedings. Accordingly, pursuant to this rule, the otherwise applicable period for public review and comment is waived.

3. Assignment of Proceeding

Michel Peter Florio is the assigned Commissioner and Jeanne McKinney is the assigned Administrative Law Judge in this proceeding.

Findings of Fact

1. C.14-07-007 was initiated on July 17, 2014 and the 12-month statutory deadline to resolve this complaint was July 17, 2015.
2. On June 11, 2015, the Commission issued D. 15-06-033 and extended the statutory deadline to January 16, 2016.
3. An additional extension of the 12-month deadline is necessary in order to address the question of jurisdiction under Section 710 and to have sufficient time to address all issues raised in the complaint.

Conclusions of Law

1. The 12-month statutory deadline imposed by Pub. Util. § 1701.2(e) should be extended to October 17, 2016.
